**RENEWED PETITION UNDER 37 CFR 1.47(a)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The following facts are provided in support of this Renewed Petition:

In the Decision on Petition Under 37 CFR 1.47(a) dated April 11, 2006, Mr. Richard M. Ross stated that of the four requirements enumerated, the first three were satisfied by the Petition Under 37 CFR 1.47(a) filed 28 September 2005. Accordingly, the present Renewed Petition is directed to the fourth requirement.

The joint inventors in the above-identified application are: Drs. Mohamed Menacer, Faycal Bahri and Abdelwahab Aroussi.

On 24, July 2003, the three inventors, Drs. Mohamed Menacer, Faycal Bahri and Abdelwahab executed an assignment assigning each of three United Kingdom Patent applications to GAIM Limited along with any corresponding patent applications filed in any other countries in the world including the above identified patent application. (See Exhibit A). Furthermore, each

of the inventors agreed to and incurred an obligation to execute all documents including any declaration or oath reasonably required to vest in Assignee all rights in any and all such corresponding patent applications.

On 21 June 2006 a further copy of the above identified application, including the specification, abstract and drawings, Declaration and Power of Attorney and Assignment documents was presented to DHL for delivery to Dr. Mohamed Menacer. (See Exhibit G) An affirmative statement of submission to Dr. Menacer of the complete application is recited in the accompanying Declaration of Ms. Caroline Marshall. In a cover letter dated June 21, 2006, Dr. Menacer was asked to execute the formal documents and return same in a stamped addressed envelope. (See Exhibit E).

On 21 June 2006 a further copy of the above identified application, including the specification, abstract and drawings, Declaration and Power of Attorney and Assignment documents was presented by DHL for delivery to Dr. Faycal Bahri . An affirmative statement of submission to Dr. Bahri of the complete application is recited in the accompanying Declaration of Ms. Caroline Marshall. Dr. Bahri was asked to execute the formal documents and return same in a stamped addressed envelope. (See Exhibit F).

The earlier filed Petition Under 37 CFR § 1.47(a) was dismissed for failure to recite that a complete copy of the application was presented to each of Drs. Mohamed Menacer and Faycal Bahri. This alleged omission was cured on June 22, 2006, when each of Drs. Mohamed Menacer and Faycal Bahri was presented with a further complete application, Declaration and Power of

Attorney and Assignment using DHL as a courier to attempt to obtain execution and return of the Declaration and Power of Attorney.

As set forth in Exhibits I and J, each of Drs. Menacer and Bahri signed for the delivery by DHL on 22 June 2006. The documents requested to be executed and returned were not returned, as set forth in the Declaration of Ms. Marshall.

The facts set forth herein are supported by the accompanying Exhibits A-K and the Declaration of Ms. Caroline Marshall, who has personal knowledge of these facts.

In view of the facts set forth in this Renewed Petition, in the accompanying Declaration of Ms. Caroline Marshall and in the Exhibits, it is respectfully requested that this Renewed Petition be granted and that the earlier filed Declaration and Power of Attorney document executed by one of the three joint inventors be entered.

A Request for 1-month extension of time to file this Renewed Petition is enclosed along with our check to cover the statutory fee of \$60.00 for a small entity.

Respectfully submitted,

CAHILL, VON HELLENS & GLAZER P.L.C.
